

# SLO ASSESSMENT FOR \_\_\_\_\_

1. Select one of the Expected Student Outcomes from the list of outcomes for the specific class you are teaching. (list attached)

Outcome: \_\_\_\_\_  
\_\_\_\_\_

2. Describe one of the assignments you use to assess student performance on this student learning outcome:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

3. Using data from a \_\_\_\_\_ (semester) assessment of this assignment, describe student performance on this outcome.

- How did students perform?
- Did the majority perform to your standard on this SLO?
- What problems did students have?

4. What changes in readings, in-class activities, curriculum, or teaching method can you make to improve student performance?
