Accessing the Data at Your Fingertips with PRIE's New Interactive Dashboards	08/18/2022 02:10 PM	Learn how to query PRIE's new Fact Book dashboards in this hands-on session. Our new interactive Tableau dashboards allow easy, immediate access to customized, disaggregated data on student enrollment, retention, success, completion outcomes, and course-taking patterns which can be used for program planning, evaluation, equity, and continuous improvement. Session Outcomes - Navigate interactive dashboards on PRIE's website - Produce simple queries to answer data questions - Understand where to find specific types of data in the new Fact Book format
Become a Program Review Data Wizard	08/19/2022 11:00 AM	Understanding the data in your Program Review data report can be daunting, but it doesn't have to be! In this lecture/interactive session, PRIE will walk you through the metrics included in the standard Program Review data report, how to interpret the data, and identify key questions and takeaways for programmatic improvement, specifically focusing on equity. Session Outcomes: - Understand the metrics in the Program Review data template - Use data findings to set goals for program improvement
PRIE Data Coaching	10/10/2022 12:40 PM	Have a question about COM students, enrollment, or success outcomes? PRIE staff are now available during COMMunity Hour to help you navigate our interactive Fact Book dashboards, answer questions about your Program Review data report, make data or research requests, or discuss what institutional data are available and how you can use it to help you understand and improve your program.
