COM has six College-Wide SLOs, which also serve as the General Education SLOs for the college. These learning outcomes reflect the core competencies required for students who complete the GE program.

- **Written, Oral, and Visual Communication:** Effectively and critically understand and communicate visually, in writing, and orally using traditional and/or modern information resources and supporting technology.
- **Scientific and Quantitative Reasoning:** Locate, identify, collect, and organize data in order to then analyze, interpret or evaluate it using mathematical skills and/or the scientific method.
- **Critical Thinking:** Differentiate between facts, influences, opinions, and assumptions to reach reasoned and supportable conclusions.
- **Information Literacy:** Formulate strategies to locate, evaluate, and apply information from a variety of sources – print and/or electronic.
- **Cultural Awareness and Community Engagement:** Become ethically responsible, equity-minded participants in society, informed and involved in civic affairs and environmental stewardship locally, nationally, and globally. Demonstrate understanding and appreciation of the diversity of cultural works, practices, and beliefs.
- **Personal and Professional Development:** Engage in healthful living and wellness physically, intellectually, emotionally and socially; enhance skills for the workplace and marketplace.
