

Transfer Information

Students planning to transfer from College of Marin to another college or university should plan their program to include both general education requirements and the specific major requirements of a particular college or university. Transfer students are advised to work closely with a counselor, in order to make appropriate course choices that will permit transfer to a California public university after completing 60 transferable units at College of Marin. The admission requirements for lower and upper division transfer to private and out-of-state colleges and universities vary from school to school. Careful planning will ensure students avoid taking classes that do not meet requirements. Students are encouraged to explore and narrow down their choices for their major and transfer campus early. This will help them to meet any campus-specific requirements in a timely manner. For most updated transfer information, please refer to ss.marin.edu/tcc.
