## Welcome to the Transfer Club!

Your progress 

**Aligned with the college's mission, the club's mission is to:**

- Support students in planning to transfer to four-year colleges and universities
- Become an active link between the transfer program and students
- Draw and create a strong sense of support and community
- Promote awareness of the Transfer and Career Center among COM students
- Empower and encourage students to network as they go through the transfer process
- Sponsor activities and events that allow students to explore transfer options and gain valuable information about the transfer process

The Transfer Club meetings will resume in the Fall. Check back for our meeting days and times.
