

AS-T Business Administration 2.0

A.S. DEGREE FOR TRANSFER

The AS-T degree in Business Administration 2.0 prepares students for transfer into bachelor's degree programs in Business Administration and similar fields. For those students considering a career in business, a baccalaureate degree is necessary. However, the attainment of an Associate in Science in Business Administration for Transfer will demonstrate commitment to the field and the student's ability to complete an educational goal. Students will acquire the knowledge and skills necessary to transfer to an upper-division Business program at a California State University. Given the uniqueness of each CSU campus, completion of the Associate in Science in Business Administration for Transfer will also prepare students for the various options under business administration such as; Business Law, Management, Accounting, Finance, and Marketing to name a few.

To complete this Associate Degree for Transfer, a student must:

1. Complete 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - [The Intersegmental General Education Transfer Curriculum \(IGETC\)](#) or [The California State University General Education – Breadth Requirements](#).
 - A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Complete all courses in the major with a grade of “C” or better, or “P” if the course is taken as “pass/no pass.”
3. Obtain a minimum grade point average of 2.0.
