**Q11: Describe the best features of this class. Please provide specific examples if possible**

---

The instructor feedback on assignments is very academic and helpful. The course material layout is very clear and concise

---

Very good communication.

---

self-learning process

---

Good communication and manageable workload

---

Cara provides very good readings for the class. It also has been a thorough class on writing perfect academic papers.

---

I am very happy with the interactions I have had with Professor Kreit. I defiantly feel like she is looking out for me, and is willing to work with me in areas I may need assistance.

---

communication, checking in on students, constantly offering assistance, compassionate

---

it is a fun class. instructor is very precise

---

Instructor Kreit's course is very valuable and the best feature is that our essays has checklist assignments throughout the week to keep us on target with the due date.

---

Passionate and engaging instructor who cares about my learning. The instructor is friendly and looks for ways to support the student.

---

I appreciate that we all get to chat together about the different topics of our readdings

---

---

**Q12: Considering the overall student experience, describe any improvements that can be made to the class**

---

some of the instructions may be unclear at times. Posts assignments multiple times a week so its hard to get ahead if you have a job.

---

The only improvement I suggest is allowing more time for assignments, and late assignments.

---

Though overall I am very pleased and happy with the interactions I have had with the professor.

---

less harsh grading

---

nothing to change

---

Flexibility in terms of turning in essays. Less workload per week.

---

Sometimes I feel like there could some more explanation into what we are learning but I really appreciate the examples
