2	please be open later!	5/21/2015 3:57 PM
3	Its alright if your not open on Saturdays, but would be nice	5/19/2015 3:37 PM
4	I find myself wanting a good study space early mornings before class, late evenings after class (and some classes run until 9pm, so I would want the library open for some time after that), and *most particularly* on Saturdays. In fact, I also find myself wanting a library space on Sundays many weekends of the year, too.	5/18/2015 10:32 PM
5	Definitely need more extended hours in evening and weekends. Would be nice to have even more extended hours in the couple weeks leading up to final exams.	5/18/2015 1:31 PM
6	weekends would serve as an invaluable & helpful resource!!!	5/18/2015 1:09 PM

7	The library should be opened 24 hours. I know that it is only a community college but sometimes students can't make it to the times specified because of other arrangements, so to have a library opened 24 hours would help day time students and night time students.	5/18/2015 3:43 AM
8	Many colleges have libraries that are open until 12pm. This makes sense because so many students need to study late hours. Having the library open until midnight may require additional staff but it will be worth it as you see the college's overall transfer rate and graduation rate soar making the school more desirable and probably attracting more funding.	5/14/2015 10:00 AM
9	The library should be open on friday until 7	5/13/2015 1:19 PM
10	The library should be open before the first class starts so that students can study and print before class. This would put opening time around 7am I think.	5/12/2015 8:12 PM

16	10 PM would be good if the buses would cooperate. Their last run south is just before 9 p.m.	5/11/2015 12:11 PM
17	The library is open until 8?? I thought it closed at 6pm sometimes. Weekend access would be AMAZING because I work full-time, and it's much easier to stay on task at the library than it is at home.	5/11/2015 12:00 PM
18	Library DEFINITELY needs to be open sooner. I can't tell you how many times I've needed to print something or study somewhere before class but class starts at 8 and library opens at 8. Every other library I've had in college opened at 7:30 and it was really helpful.	5/11/2015 11:47 AM

1	I am slowly getting used to integrating whiteboards into my tutoring. Before very long, I bet whiteboards will be even more important to me. ***** Regarding movable furniture: I want to be able to adjust my chairs relative to the desk/table I'm working at. A chair that's locked into one orientation and position relative to the work surface is a powerful productivity-hindering thing for someone trying to study. (Like standard classroom chair/desk torture devices. Those would be *terrible* for the library.)	5/18/2015 10:47 PM

5	BE OPEN LATER AND ON WEEKENDS. I have terrible internet at my house and would like to study here later.	5/21/2015 3:59 PM
6	Have more than one copy of the textbooks used for classes and the ability to possibly check it out for a half of day outside of the library	5/21/2015 11:37 AM
7	reduce level of talking and noise outside of inclosed rooms..can be very distracting at times. library open to only service dogs( blind) or all quiet dogs	5/20/2015 10:49 AM
8	Keep on keeping on. Thank you	5/19/2015 3:44 PM
9	make the students quite so it can be better to concentrate	5/19/2015 3:13 PM
10	I dont like the new William Keith Room and I used to study there before and it was my favorite place to study. The new William Keith Room is abandoned and it used to be full of awesome books and study spaces!	5/19/2015 12:19 PM
11	I would love to have more hours available. I would like to see hands-on classes/seminars on using the resources of the library to conduct research. I would love to see a space/kiosk devoted to simple, straightforward and clearly spelled out instructions (written for the non-English-major/non-bibliophile) for properly citing references: (a) quoting, (b) footnoting, (c) bibliographies, and (d) any other aspects of citing that I am forgetting in this moment. I like quick-reference sheets the student can pick up and keep with him/her.	5/18/2015 11:17 PM
12	Keep main library area QUIET. Do not allow students to have open study groups or talk at computers and main areas where others are trying to study quietly. That is one of the main reasons I sometimes avoid using the library here. People can go to Cafeteria/Student Union if they need to talk. Libraries should be QUIET areas.	5/18/2015 1:36 PM
13	WEEKENDS	5/18/2015 1:13 PM
14	Facilitate more academic collaboration.	5/18/2015 12:39 PM
15	Computer sign in sheet during peak hours of use or at all times perhaps, new and hygienic wireless headphones, enforcement of group study rules and use of rooms, offer a specific STUDY CENTER FOR THE DISABLED STUDENTS because some need a private room to concentrate, etc.	5/18/2015 11:07 AM
16	I would say just have more available hours for students who love the library like I do.	5/18/2015 3:53 AM
17	More power outlets, especially around the cubicles.	5/17/2015 8:12 PM
18	Publicize hours and services online or via email. IVC library nears group study area or rooms. Have to go to career center building for these services at IVC.	5/17/2015 4:30 PM
19	create more study rooms	5/17/2015 2:17 PM
20	Its pretty good	5/17/2015 2:09 PM
21	later hours and weekend hours	5/17/2015 1:44 PM
22	Making the right changes.	5/15/2015 10:05 PM
23	Separation of research/computer classes from the area of study. Sometimes is a little disturbing.	5/15/2015 1:39 PM
24	I do not know	5/14/2015 6:02 PM
25	more group rooms, a side to study and talk and a side for quiet and individual study	5/14/2015 3:59 PM

26	n/a	5/14/2015 3:52 PM
27	There were really comfy couches last semester, that are gone this semester. Can you bring them back? It would be nice to have a resting area in the school, especially for long school days when I have to stay on campus.	5/14/2015 3:18 PM
28	sometimes only one person hold a room and that's why its hard to get a room for group study	5/14/2015 11:21 AM
29	it very good now. pay staff more money send staff on trips.	5/14/2015 10:52 AM
30	Perhaps, if they change the chairs for single tables. They're quite uncomfortable... Also, more group study rooms will be very helpful!	5/14/2015 10:47 AM
31	Please expand your street poetry selection, what if I need to write and essay comparing Rimbaud with Steven Jesse Bernstein and the internet is down?	5/14/2015 10:14 AM
32	more consideration of noise and eating, drinking in library	5/14/2015 8:18 AM
33	It needs to be made very clear that the library is a quiet place to get work done. I used to use the library on an almost daily basis but the level of noise these past few months has been very disruptive, and it unfortunately has created an atmosphere where it's very hard to focus. I understand that study rooms are noisy and I don't mind that at all, I've used them many times myself with study groups. It's when people have loud, street-level conversations with others, talk on their cell phones, etc. at the corrals that I get frustrated. I now go to the Mill Valley Library to study because it's always very quiet there. I live in San Rafael so it's further to drive than school but it's worth it for the amount of work I get done. I think our library should at least have designated quiet areas where it's understood that talking, especially loudly, won't be tolerated.	5/13/2015 8:36 PM
34	be opened earlier	5/13/2015 7:29 PM
35	nothing	5/13/2015 5:54 PM
36	Open hours should be extended. Some of the front desk staff should be nice and welcoming.	5/13/2015 3:20 PM
37	Making sure that people are quiet and respectful of the students who are trying to concentrate and read.	5/13/2015 2:33 PM
38	nothing, they are great	5/13/2015 1:34 PM
39	They can teach us more about use the COM data base	5/13/2015 1:24 PM
40	We need more large flat tables to spread out. Carrels are often too confined. The library may be over lit. This should be checked with a light meter and verified with a lighting expert that the correct lumens are available at desk height. Excess lighting should be eliminated to save energy. Signs should be posted to minimize noise. Talking should be limited to whispering so as not to disturb people who are reading and studying.	5/13/2015 12:35 PM
41	I think students shouldn't be quiet when working in the general area where there are computers because students are studying. the staff should regulate more and have signs	5/13/2015 10:55 AM
42	My com uesd class	5/13/2015 10:48 AM
43	Everything is great now.	5/13/2015 9:38 AM
44	no comment	5/13/2015 9:37 AM
45	- have a better control of the online reservation of study rooms	5/13/2015 8:44 AM
46	hve the library computers in sync with the online programs teachers subscribe for homework such as MML	5/13/2015 8:23 AM
47	Librarians / Research helpers more available/approachable or just noticeable. Computer/printer help promptly if it is a COM owned computer	5/13/2015 6:17 AM
48	Please try to remove the access items that are stored in the corner of the library by the computers, the study rooms are not well cleaned, the "quiet rule" of a typical library is not enforced at COM, some librarian staff also use loud voices. Thank you!	5/13/2015 12:28 AM
49	More outlets, please :)	5/12/2015 8:15 PM
50	Some how helps students get jobs at the library.	5/12/2015 4:43 PM
51	Open an hour early and close an hour or two after the usual time.	5/12/2015 3:56 PM
52	I feel like the library is accessible and friendly, so I would say to keep it up. Perhaps to find a way to further let students know they are available to them, and encourage students to talk with librarians early on so they know about these resources.	5/12/2015 3:26 PM

53	longer hours open	5/12/2015 3:22 PM
54	When I was outside the COM library in the LC I kept hearing this loud buzzing sound that was very distracting.	5/12/2015 2:36 PM
55	Longer hours of operation would be the best change!	5/12/2015 2:02 PM
56	More interactive events for students promoting the library as a gathering place for all students and members of the community	5/12/2015 1:01 PM
57	Allow short term text book check out	5/12/2015 12:56 PM
58	more hours of operations	5/12/2015 12:50 PM
59	nothing	5/12/2015 12:38 PM
60	get multiple copies of each book for classes so poor students can attend school without large costs. and make them available for longer than 1 or 2 hour checkouts. This is very important and not currently done well at all. there should be a database and a grant program utilized to do this very efficiently.	5/12/2015 12:33 PM
61	It would be helpful to have more applications installed on the computers such as Adobe Flash Player, etc.	5/12/2015 12:32 PM
62	More study rooms, more comfy seating by the windows (better lighting!), a take-a-dime, leave a dime stash in case you run out of printing change	5/12/2015 12:23 PM
63	make study rooms quieter	5/12/2015 11:12 AM
64	I didn't even know about a lot of services that the library offers. So maybe a mandatory class on the different services that the library offers for freshmen students so they can be knowledgeable about how to do proper research through out their college career. More comfortable chairs.	5/12/2015 10:33 AM
65	Improve the front desk staff with comprehensive training in research methods	5/12/2015 9:17 AM
66	Update the book collection	5/12/2015 8:30 AM
67	They already have a lot of great services, but I would add a computer to help students work better	5/12/2015 8:21 AM
68	have more computers to be able to access.	5/12/2015 7:08 AM
69	N/A	5/11/2015 10:43 PM
70	I think the library should be open later hours, especially around finals	5/11/2015 10:26 PM
71	I always find that I need.	5/11/2015 10:01 PM
72	Maybe some actually closed off rooms that are for group works that are actually quiet for the rest of the library..	5/11/2015 8:57 PM
73	Rooms for open collaboration and discussion	5/11/2015 8:23 PM
74	The general collection is pathetically out of date. Not a problem for some humanities classes, but I have found it totally inadequate for science and statistics classes. If there is a title I want, it is easier to go to a public library and request it by interlibrary loan. Besides, the public library doesn't require books to be returned by the end of the semester. To be honest, one of the reasons I study at home, instead of the library is that the library is such a dump. If it were an attractive space, people would be attracted to it! Architecture matters.	5/11/2015 8:13 PM
75	better wi-fi for skype tutoring sessions!	5/11/2015 7:42 PM
76	It's already good.	5/11/2015 7:41 PM
77	I'm not really sure. My needs are modest when it comes to some of my fellow students. It would be difficult for me to suggest improvements when my needs get met with the way things are.	5/11/2015 7:01 PM
78	open more hours	5/11/2015 6:50 PM
79	Don't know Nino	5/11/2015 6:46 PM
80	Don't know	5/11/2015 6:23 PM
81	It's much too noisy, especially noise coming from the group study areas.	5/11/2015 6:13 PM
82	More power outlets for personal laptops	5/11/2015 6:09 PM
83	a few more group study rooms (they are very popular) & more natural light	5/11/2015 6:06 PM

84	Inform students why COM's library matters...especially in today's age of info at the touch of a button	5/11/2015 5:42 PM
85	have a suggestion box	5/11/2015 5:37 PM
86	to take off that horrible posters. Are ridiculous.	5/11/2015 5:26 PM
87	Open on Saturdays	5/11/2015 5:25 PM
88	maybe try to come up with a way to access books from other larger university libraries such as UC berkeley	5/11/2015 5:14 PM
89	Some computers run very slow on the internet.	5/11/2015 4:52 PM
90	Friendlier	5/11/2015 4:02 PM
91	More small meeting rooms for groups. More/better chairs and furniture.	5/11/2015 3:58 PM
92	I think all computers on campus could be faster and better updated. Keep things inexpensive for students (like copying and printing.)	5/11/2015 3:39 PM
93	I never heard about the museum tickets	5/11/2015 3:08 PM
94	I think it can improve by having more computers, and more study space. Also if we could be allowed to bring drinks in certain parts of the library, i understand why they aren't allowed because of computers and machines, but I feel like students need coffee during their visit to the library	5/11/2015 2:58 PM
95	Friendly	5/11/2015 2:47 PM
96	Hire more personal.	5/11/2015 2:25 PM
97	I would change the chairs for the desks but that's pretty much it. The library is great the way it is.	5/11/2015 2:18 PM
98	not sure	5/11/2015 2:07 PM
99	Have someone who speaks spanish	5/11/2015 1:59 PM
100	An	5/11/2015 1:50 PM
101	This semester if the library was open before 8a.m. would have been awesome because I had to print stuff out for a class that started at 8:10.	5/11/2015 1:47 PM
102	longer hours, but i know that's sometimes not in your control	5/11/2015 1:46 PM
103	Notify study groups when they ate yoo loud	5/11/2015 1:45 PM
104	have better research tools and access to full text journal articles, Pub Med, Cochrane reviews	5/11/2015 1:38 PM
105	More tables to work on. Most tables are in group rooms and it would be nice to work outside the rooms on large tables	5/11/2015 1:37 PM
106	I'm happy with the service and all that is offered	5/11/2015 1:35 PM
107	Library is never open after my evening classes. Most of my classmates study at Dominican instead, which is sometimes a problem when their school schedule doesn't align with ours. Also, library hours should be lengthened before finals, not shortened/closed!!	5/11/2015 1:34 PM
108	Have another quiet room to study because they get filled up too fast especially around finals.	5/11/2015 1:33 PM
109	open up early and close really late	5/11/2015 1:32 PM
110	not charge as much for printing	5/11/2015 12:26 PM
111	The website is a little messy and hard to navigate, it could be streamlined a bit, and it could have more private study areas and quiet areas. Also being an aesthete, it could use a little makeover.	5/11/2015 12:25 PM
112	Think it is fine as it is now.	5/11/2015 12:15 PM
113	Please please please buy a cupcake for the angry lady at the front desk. Why is she always so mad??? More comfy seating. (A previous school had a beanbag chair tucked into every corner)	5/11/2015 12:09 PM
114	I can't think of one thing	5/11/2015 12:00 PM
115	Open at 7:30. Have more tables for group study	5/11/2015 11:49 AM
116	Make sure all the librarians are friendly.	5/11/2015 11:47 AM

117	more communication	5/11/2015 11:38 AM
118	More info re: services available to students & how we can utilize them.	5/11/2015 11:13 AM
119	So far so good!	5/11/2015 11:07 AM
120	They should be stricter about one person using the study group rooms - there for 2 or MORE people to study not one person. Also if that one person complains about needing more quiet because of what the room provides, then the librarians should be more aware of who is making the most noise. (i.e. loud music through headphones, excessive loud talking, loud phones that ring out of nowhere...)	5/11/2015 9:58 AM
121	Possibly stay open a bit later at night (although I may be in the minority of people who would use it past 8pm).	5/8/2015 3:26 PM
