AP 3540 SEXUAL AND OTHER ASSAULTS ON CAMPUS**References:**

Education Code Sections 67385, 67385.7, and 67386;
20 U.S. Code Section 1092(f) (Jeanne Clery Act);
34 Code of Federal Regulations Section 668.46(b) (11) (Institutional Security Policies and Crime Statistics)

Any sexual assault or physical abuse, including, but not limited to, rape, domestic violence, dating violence, sexual assault, or stalking as defined by California law, whether committed by an employee, student, or member of the public, occurring on District property in connection with all the academic, educational, extracurricular, athletic, and other programs of the District, whether those programs take place in the District facilities or at another location, or on an off-campus site or facility maintained by the District or on grounds or facilities maintained by a student organization, is a violation of Board policies and administrative procedures and is subject to all applicable punishment, including criminal procedures and employee or student discipline procedures. (Also see AP 5500 titled Standards of Student Conduct)

“Sexual assault” includes but is not limited to, rape, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, or threat of sexual assault.

“Dating Violence” means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of a romantic or intimate relationship will be determined based on the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship.

“Domestic violence” includes felony or misdemeanor crimes of violence committed by:

- a current or former spouse of the victim;
- a person with whom the victim shares a child in common;
- a person who is cohabitating with or has cohabitated with the victim as a spouse;
- a person similarly situated to a spouse of the victim under California law; or
- any other person against an adult or youth victim who is protected from that person’s acts under California law.

“Stalking” means engaging in a course of conduct or repeated conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others, or to suffer substantial emotional distress.

It is the responsibility of each person involved in sexual activity to ensure that he or she has the affirmative consent of the other or others to engage in the sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual

activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent. Consent must be given without coercion, provocation, force, threats or intimidation. Consent cannot be given when a person is incapacitated or when his or her understanding is affected by a mental or physical impairment.

“Affirmative consent” means affirmative, conscious, and voluntary agreement to engage in sexual activity. If affirmative consent is withdrawn, the sexual activity must immediately stop.

These written procedures and protocols are designed to ensure that victims of domestic violence, dating violence, sexual assault, or stalking receive treatment and information. (For physical assaults/violence, also see AP 3500 titled Campus Safety, AP 3510 titled Workplace Violence Plan, and AP 3515 titled Reporting of Crimes).

All students, faculty members, or staff members who allege they are the victims of a domestic violence, dating violence, sexual assault, or stalking on District property shall be provided with information regarding options and assistance available to them. Information shall be available from The Executive Director of Human Resources, who shall maintain the identity and other information about alleged sexual assault victims as confidential unless and until the Executive Director of Human Resources is authorized to release such information. All alleged victims of domestic violence, dating violence, sexual assault, or stalking on District property shall be kept informed, through the Executive Director of Human Resources of any ongoing investigation. Information shall include the status of any student or employee disciplinary proceedings or appeal; alleged victims of domestic violence, dating violence, sexual assault, or stalking are required to maintain any such information in confidence, unless the alleged assailant has waived rights to confidentiality.

A complainant or witness who participates in an investigation of sexual assault, domestic violence, dating violence, or stalking will not be subject to disciplinary sanctions for a violation of the District's student conduct policy at or near the time of the incident, unless the District determines that the violation was egregious, including but not limited to, an action that places the health or safety of any other person at risk or involves plagiarism, cheating, or academic honesty.

In the evaluation of complaints in any disciplinary process, it shall not be a valid excuse to alleged lack of affirmative consent that the accused believed that the complainant consented to the sexual activity under either of the following circumstances.

- The accused's belief in affirmative consent arose from the intoxication or recklessness of the accused.
- The accused did not take reasonable steps, in the circumstances known to the accused at the time, to ascertain whether the complainant affirmatively consented

In the evaluation of complaints in the disciplinary process, it shall not be a valid excuse that the accused believed that the complainant affirmatively consented to the sexual activity if the accused knew or reasonably should have known that the complainant was unable to consent to the sexual activity under any of the following circumstances;

- The complainant was asleep or unconscious.
- The complainant was incapacitated due to the influence of drugs, alcohol, or medication, so that the complainant could not understand the fact, nature, or extent of the sexual activity.
- The complainant was unable to communicate due to a mental or physical condition.

The District shall maintain the identity of any alleged victim witness, or third-party reporter of domestic violence, dating violence, sexual assault, or stalking on District property, as defined above, in confidence unless the alleged victim witness, or third-party reporter specifically waives that right to confidentiality. All inquiries from reporters or other media representatives about alleged domestic violence, dating violence, sexual assaults, or stalking on District property shall be referred to the Superintendent/President's office, which shall work with the Executive Director of Human Resources and District Police to assure that all confidentiality rights are maintained.

Additionally, the Annual Security Report will include a statement regarding the District's programs to prevent sexual assault, domestic violence, dating violence, and stalking and procedures that should be followed after an incident of domestic violence, dating violence, sexual assault, or stalking has been reported, including a statement of the standard of evidence that will be used during any District proceeding arising from such a report. The statement must include the following:

- A description of educational programs to promote the awareness of rape, acquaintance rape, other forcible and non-forcible sex offenses, domestic violence, dating violence, or stalking;

 - Such proceedings shall provide a prompt, fair, and impartial resolution;
 - Such proceedings shall be conducted by officials who receive annual training on the issues related to domestic violence, dating violence, sexual assault, and stalking and how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.
 - The accuser and the accused are entitled to the same opportunities to have others present during a disciplinary proceeding; and
 - Both the accuser and the accused must be informed of the outcome of any institutional disciplinary proceeding resulting from an alleged domestic violence, dating violence, sexual assault, or stalking, the procedures for the accused and victim to appeal the results of the disciplinary proceeding, of any changes to the results that occur prior to the time that such results become final, and when such results become final. Compliance with this paragraph does not violate the Family Educational Rights and Privacy Act. For the purposes of this paragraph, the outcome of a disciplinary proceeding means the final determination with respect to the domestic violence, dating violence, sex offense, sexual assault, or stalking and any sanction that is imposed against the accused.
