Business and Professions Code Sections 24045.4, 24045.6, and 25608;  
34 Code of Federal Regulations Part 668.46(b)

The possession, sale or the furnishing of alcohol on campus is governed by California state law and these procedures. The possession, sale, consumption or furnishing of alcohol is controlled by the California Department of Alcohol and Beverage Control. However, the enforcement of alcohol laws on-campus is the primary responsibility of the District Police Department. The campus has been designated “Drug free” and only under certain circumstances is the consumption of alcohol permitted. The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal laws. Such laws are strictly enforced by the District Police Department. Violators are subject to disciplinary action, criminal prosecution, fine and imprisonment. It is unlawful to sell, furnish or provide alcohol to a person under the age of 21. The possession of alcohol by anyone under 21 years of age in a public place or a place open to the public is illegal. It is also a violation of this policy for anyone to consume or possess alcohol in any public or private area of campus without prior District approval. Organizations or groups violating alcohol or substance policies or laws may be subject to sanctions by the District.

Alcoholic beverages on campus are permitted if:

- The alcoholic beverage is limited to beer or wine for use in connection with a course of instruction, and the instructor has been authorized to use it by the Vice President of Student Learning
- The alcoholic beverage is for use during a non-college event at a performing arts facility built on District property and leased to a nonprofit public benefit corporation and its use has been approved by the Superintendent/President or designee.
- The alcoholic beverage is wine produced as part of an instructional program in viticulture and enology
- The alcoholic beverage is wine that is for use during an event sponsored by the District or an organization operated for the benefit of the District in connection with a District instructional program.
- The alcoholic beverage is acquired, possessed, or used during an event sponsored by the District at a District-owned facility in which any grade from kindergarten to grade 12, inclusive, is taught, if the event is held at a time when students in any grades from kindergarten to grade 12, inclusive, are not present at the facility.

The alcoholic beverage is for use during a fundraiser held to benefit a nonprofit corporation that has obtained a license under the Business and Professions Code to do so provided that no alcoholic beverage can be acquired, possessed, or used at a football game or other athletic contest sponsored by the District.

At any event where alcoholic beverages are present, a notice that no alcoholic beverages shall be served to minors who are under the legal drinking age shall be posted.
