

Please use the criteria below to search the master schedule by term and department. To refine your search, enter a CRN or the first few characters of a meeting (i.e. ANTH-101). Searches will return no more than **20** results per page so please provide restrictive criteria. To preview CRNs by term and department via Argos, press the **Preview** button.

To copy all meetings from an existing CRN to a new CRN, press the corresponding **Copy CRN** link. **Room preferences and instructors will not be copied.** Before creating a new CRN, consider re-activating any inactive CRN within the same course.

Select from the criteria below and press Search to retrieve the matching records.
