Board Policy 6150 Designation of Authorized Signatures states that the Board of Trustees will authorize and approve all authorized signatures. Authority to sign orders and other transactions on behalf of the Board of Trustees is delegated to the Superintendent/President and other officers appointed by the Superintendent President.

The District is no longer required to submit the signature authorizations to the Marin County Office of Education since the College is fiscally accountable.

The authorization of signatures allows normal business to proceed on a timely basis.
