**BOARD POLICIES**

Board Policy (BP) is the voice of the Board of Trustees and defines the general goals and acceptable practices for the operation of the District. It implements federal and state laws and regulations. The Board, through policy, delegates authority to and through the Superintendent/President to administer the District. The Superintendent/President and District employees are responsible to reasonably interpret Board Policy as well as other relevant laws and regulations that govern the District.

**ADMINISTRATIVE PROCEDURES**

Administrative Procedures (AP) implement Board policy, laws, and regulations. They address how the general goals of the District are achieved and define operations of the District. They include details of policy implementation, responsibility, accountability, and standards of practice. Although procedures may be developed by the Superintendent/President, managers, faculty, and staff members, it is the administrators/managers who are held responsible for upholding the specific information delineated in the procedures. Administrative Procedures do not require Board action. Not all Board Policies have a related Administrative Procedure.

**GUIDELINES**

Guidelines, handbooks and answers to frequently asked questions have been developed by departments to provide additional information and assistance for students, employees and the community.
