The Board of Trustees is committed to annually assessing its own performance as a Board in order to identify its strengths and areas in which it may improve its functioning.

To that end, the Board of Trustees has established the following processes:

A committee of the Board shall be appointed at the annual organizational meeting in December to determine the instrument or process to be used in Board self-evaluation. Any evaluation instrument shall incorporate criteria contained in these Board Policies regarding Board operations, as well as criteria defining Board effectiveness promulgated by recognized practitioners in the field.

The process and the instrument for evaluation shall be recommended to and approved by the Board of Trustees.

All Board members will be asked to complete the evaluation instrument and submit them to the Board Committee on Self-Evaluation.

A summary of the evaluations will be presented and discussed at a regular meeting of the Board. The results will be used to identify accomplishments in the past year, areas of improvement, and goals and objectives for the following year.
